2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose or re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

2d.—Parties tendering are to specify the rate in Company's Rupees per hundred bazar maunds, at which they will engage to deliver the Coal alongside of any Vessel between Kidderpore and the Upper Moorings off Calcutta, and they must likewise agree to maintain a floating depot, capable of holding two hundred Tons, in a convenient situation between the aforesaid places, to be determined by the Marine Board.

3d.—The Coal to be delivered by weight, to be ascertained on board the Vessel receiving it, by a process of the accuracy of which, as well as the correctness of the beams and scales employed, the Contractors will have the power of satisfying themselves.

4th.—The Coal to be paid for on the production of a receipt from the Commander or Commanding Officer of the Ship or Vessel, for the quantity delivered.

5th.—A muster of three maunds of the Coal intended to be supplied is to accompany each Tender, it will be retained for future reference, in case of dispute as to quality in the deliveries.

6th.—Further particulars as to the terms and tenor of the contract, which the party whose tender may be accepted will be required to execute, may be seen on application at this office.

7th.—The party whose Tender may be accepted, will be required to furnish Security to the satisfaction of the Board, for the due performance of the contract.

8th.—The Tenders are to be sent in sealed and superscribed 'Tenders for the supply of Burdwan Coal.'

By order of the Marine Board,

(Sd.) J. H. JOHNSTON,

Controller of Govt. S. Vessels.

Steam Department, the 18th Feb. 1839.

NOTICE.—On the 15th of April, at or before noon, Tenders will be received at this Office, for the conveyance of 30,000 maunds of Cherra Poonjee Coal from Chattaek in Sylhet to Calcutta.

Steam Department, the 18th Feb. 1839.

NOTICE IS HEREBY GIVEN, that Tenders will be received at this Office at or before noon, on the 15th of April 1839, for the delivery of the best Burdwan Coal, or of Coal not inferior to the best Burdwan Coal to the Government Steam Vessels, for a term of one year at all, or at any one or more of the following places throughout the year:—

	Bazar mds.
Rajmehal,	12000
Colgong,	3000
Monghyr,	10000
Barr,	6000
Dinapore,	12000
Ghazee-pore,	10000
Benares,	5000

Koolna or Sainka Bazar,	1800
Commercolly,	1200
Sirdah,	500

2d.—The Contractors will be required to maintain constantly in each Depot, Coal sufficient for three months supply to the Steamers on the above calculation.

3d.—The above are perhaps the largest supplies that will be wanted at each Station, they are probably greater than will be required, the Government will therefore not be pledged to take more Coal than the boats may have occasion for, but the contracting parties may at all times obtain the information necessary to guide them in their shipments, by application at this Office.

4th.—It may happen however, that from some emergent cause an excess on the specified quantities may be required, in which event four months notice being given, the contracting parties are to extend their supplies for the unexpired term of their contract to any quantity not exceeding fifty per cent. or one half beyond the quantities already specified.

5th.—The contracting parties will be required to commence supplying Coal at the several Depots respectively, on the 1st of October 1839, or as soon after that day as the present Contractors shall have issued the last of their Coal, of which due notice will be given from this Office.

6th.—The contracting parties will be required to enter into a Penalty Bond, with Sureties for the due fulfilment of their contract, and failing of that for reimbursement to Government of any monies that may be paid to them in advance, and not duly and fully accounted for by deliveries of Coal, the amount of penalty to be once and a half the value of the Coal they contract to supply, calculated on the prices at which their contract is taken, and on the before specified quantities. They will also be required to bind themselves in a penalty of 500 Rupees not to raise the detention of boats for their supplies of Coal beyond a reasonable time, or one hour for each hundred maunds of Coal required.

7th.—On signing the contract, an advance of fifty per cent. will be made to the contracting parties, under the security referred to in the 6th condition of this advertisement, on the value of the entire quantity of Coal to be supplied under the contract calculated at the contract prices, 25 per cent. will be paid for the quantity of Coal supplied to any Steam Vessel, on the production at this office of a receipt signed by the Commander or Commanding Officer of such Steam Vessel, and the account will be finally balanced and adjusted on the expiration of the contract.

8th.—In the event of a breach of the contract or the non-fulfilment of any of the clauses of the contract, it is to be optional with the Marine Board to levy from the contracting parties or their sureties the penalty thereby incurred, or to take measures for remedying as far as may be practicable the inconvenience arising out of such breach or non-fulfilment of contract and charge against the Contractors, all expenses that may be incurred in so doing.

9th.—And with reference to the foregoing conditions it is to be understood, that the demurrage or the detention occasioned to the Steam Vessels and Accommodation Vessels through such failure of the Contractor will be charged at 400 Rupees per day of 12 hours, and that when wood may be provided as a substitute for Coal, five maunds of dry wood will be taken as equivalent to one maund of Coal.

10th.—The Tenders are to specify the rate at which the best Burdwan Coal, or Coal not inferior to the best Burdwan Coal, will be supplied per one hundred bazar maunds. They are to be made out according to a form to be seen at the Controller's Office. They are to be sent in sealed on or before noon, on the 15th day of April 1839, superscribed "Tenders for the supply of Coal for Internal Navigation," and to be addressed to the Controller of Government Steam Vessels at this Office.

BY **JAMES RANALD MARTIN,**
Presidency Surgeon and Surgeon to the Native Hospital.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—*From the Medico-Chirurgical Review, No. 57, for July, 1838.*

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—From the *Medico-Chirurgical Review*, No. 57, for July, 1838.

VII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of one lakh and sixty thousand Rupees, excepting on occasion of the present or of any future increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council in the manner prescribed in Sections V and VI. of this Act in which case any Proprietor holding Stock to the full amount of one lakh and sixty thousand Rupees, shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion; and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

X. And it is hereby enacted, that the said corporate body, so renewed and continued as aforesaid, shall consist and be composed of the registered Proprietors for the time being of the said shares of the Capital Stock of the said Bank, and of no other person or persons whatsoever.

2d.—The Contractors will be required to maintain constantly in each Depot, Coal sufficient for three months supply to the Steamers on the above calculation.

3d.—The above are perhaps the largest supplies that will be wanted at each Station, they are probably greater than will be required, the Government will therefore not be pledged to take more Coal than the boats may have occasion for, but the contracting parties may at all times obtain the information necessary to guide them in their shipments, by application at this Office.

4th.—It may happen however, that from some emergent cause an excess on the specified quantities may be required, in which event four months notice being given, the contracting parties are to extend their supplies for the unexpired term of their contract to any quantity not exceeding fifty per cent. or one half beyond the quantities already specified.

5th.—The contracting parties will be required to commence supplying Coal at the several Depôts respectively, on the 1st of October 1839, or as soon after that day as the present Contractors shall have issued the last of their Coal, of which due notice will be given from this Office.

6th.—The contracting parties will be required to enter into a Penalty Bond, with Sureties for the due fulfilment of their contract, and failing of that for reimbursement to Government of any monies that may be paid to them in advance, and not duly and fully accounted for by deliveries of Coal, the amount of penalty to be once and a half the value of the Coal they contract to supply, calculated on the prices at which their contract is taken, and on the before specified quantities. They will also be required to bind themselves in a penalty of 500 Rupees not to cause the detention of boats for their supplies of Coal beyond a reasonable time, or one hour for each hundred maunds of Coal required.

7th.—On signing the contract, an advance of fifty per cent. will be made to the contracting parties, under the security referred to in the 6th condition of this advertisement, on the value of the entire quantity of Coal to be supplied under the contract calculated at the contract prices, 25 per cent. will be paid for the quantity of Coal supplied to any Steam Vessel, on the production at this office of a receipt signed by the Commander or Commanding Officer of such Steam Vessel, and the account will be finally balanced and adjusted on the expiration of the contract.

8th.—In the event of a breach of the contract or the non-fulfilment of any of the clauses of the contract, it is to be optional with the Marine Board to levy from the contracting parties or their sureties the penalty thereby incurred, or to take measures for remedying as far as may be practicable the inconvenience arising out of such breach or non-fulfilment of contract and charge against the Contractors, all expenses that may be incurred in so doing.

9th.—And with reference to the foregoing conditions it is to be understood, that the demurrage or the detention occasioned to the Steam Vessels and Accommodation Vessels through such failure of the Contractor will be charged at 400 Rupees per day of 12 hours, and that when wood may be provided as a substitute for Coal, five maunds of dry wood will be taken as equivalent to one maund of Coal.

10th.—The Tenders are to specify the rate at which the best Burdwan Coal, or Coal not inferior to the best Burdwan Coal, will be supplied per one hundred bazar maunds. They are to be made out according to a form to be seen at the Controller's Office. They are to be sent in sealed on or before noon, on the 15th day of April 1839, superscribed 'Tenders for the supply of Coal for Internal Navigation,' and to be addressed to the Controller of Government Steam Vessels at this Office.

11th.—Three maunds of the Coal intended to be supplied are to be sent to this Office, where it will be retained for future reference in case of dispute, with reference to quality of deliveries.

12th.—The Marine Board reserve to themselves the option of rejecting any Tender, without assigning a reason for so doing.

By order of the Marine Board,

J. H. JOHNSTON.

Controller of Govt. Steam Vessels.

Marine Board Office, 18th Feb. 1839.

BY JAMES RANALD MARTIN,

PRINTED BY ORDER OF GOVERNMENT.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—*From the Medico-Chirurgical Review, No. 57, for July, 1838.*

Ordered, that the Act be promulgated for general information.

ACT No. IV. of 1839.

I. It is hereby enacted, that if any person shall, within the jurisdiction of the Court of Judicature of Prince of Wales' Island, Singapore and Malacca, steal the whole or any part of any growing tree, sapling or shrub, or any underwood, or the whole or any part of any pale, post or stile, or any growing cultivated plant, root, fruit, or vegetable production, or shall unlawfully and maliciously commit any damage, injury, or spoil to, or upon any real or personal property whatsoever of a private nature, every such offender, being convicted thereof before a Court of Quarter Session, shall, for the first offence, forfeit and pay over and above the amount of the injury done, such sum of money, not exceeding two hundred Rupees, as to the Court of Quarter Session shall seem meet, and if any person so convicted shall afterwards be guilty of any of the said offences, and shall be convicted thereof in like manner, every such offender shall, for every such subsequent offence, be imprisoned with or without hard labor for such term not exceeding six calendar months, as the Court of Quarter Session shall think fit.

II. And it is hereby enacted, that every sum of money which shall be forfeited for the amount of any injury done (such amount in each case to be assessed by the Court of Quarter Session, but not to exceed two hundred Rupees,) shall be paid to the party aggrieved, if known, except when such party shall have been examined in proof of the offence. Provided always, that when several persons shall join in the commission of the same offence, and shall, on conviction thereof, each be adjudged to forfeit a sum equivalent to the amount of the injury done, in every such case no further sum shall be paid to the party aggrieved, than that which shall be forfeited by one of such offenders only.

III. And it is hereby enacted, that in every case of conviction under this Act, when the sum which shall be forfeited for the amount of the injury done, or which shall be imposed as a penalty by the said Court of Quarter Session, shall not be paid, either immediately after the conviction, or within such period as the said Court shall at the time of the conviction appoint, it shall be lawful for the said Court to commit the offender to prison, there to be imprisoned only, or to be imprisoned with hard labor, according to the discretion of the said Court, for any term not exceeding two calendar months, when the amount of the sum forfeited or of the penalty imposed, or both, (as the case may be) together with the costs,

shall not exceed fifty Rupees; and for any term not exceeding four calendar months, when the amount, with costs, shall exceed fifty Rupees, but shall not exceed one hundred Rupees; and for any term not exceeding six calendar months, in any other case: the commitment to be determinable in each of the cases aforesaid, upon payment of the amount and costs.

IV. And it is hereby enacted, that in case any person convicted of any offence, by virtue of this Act, shall have paid the sum adjudged to be paid, together with the costs under such conviction, or shall have suffered the imprisonment awarded for non-payment thereof, such person shall be released from all further or other proceedings for the same offence.

V. And it is hereby enacted, that every punishment and forfeiture by this Act imposed on any person maliciously committing any offence shall equally apply and be enforced, whether the offence shall have been committed from malice conceived against the owner of the property in respect of which it shall be committed or otherwise.

VI. And it is hereby enacted, that where the stealing of any property is by this Act punishable either for every offence or for the first and subsequent offences, any person who shall receive any such property, knowing the same to be unlawfully come by, shall, on conviction thereof, in like manner as the principal offender, be liable for every first and subsequent offence of receiving to the same forfeiture and punishment to which a person guilty of a first or subsequent offence of stealing is by this Act made liable.

VII. And it is hereby enacted, that the Court of Quarter Session established by the Letters Patent establishing the Court of Judicature of Prince of Wales' Island, Singapore and Malacca, bearing date the 27th day of November, 1826, shall sit for the purpose of hearing and determining matters made offences by this Act at each Station of the said Settlements not less frequently than once in fourteen days. Provided always, that no Court shall be holden excepting in the presence of one of the Judges of the Court of Judicature; and that no Justice of the Peace being a Proprietor or Renter of a Spice Plantation or otherwise directly interested in the enforcement of the provisions of this Act, shall sit and have a deliberative voice in such Court of Quarter Session when held at a Station where such Justice may be so interested.

And it is hereby enacted, that all property and securities for property, claims and demands whatsoever now vested in or held by the said Bank of Bengal, under and by virtue of the said Charter and Acts, shall immediately on the determination of the said Charter devolve on and become vested and continued in the Bank of Bengal, so continued and incorporated by this Act as aforesaid, and that the said Bank of Bengal so continued and incorporated as aforesaid shall be subject to all debts, demands, claims and liabilities outstanding against the said Bank at the time of such determination of its said Charter as aforesaid, and that no suit or proceeding at Law or in Equity then pending shall cease or abate in consequence of such determination of the said present Charter, and of such renewal and continuance of the said Bank by virtue of this Act.

IV. And it is hereby enacted, that the said Bank so renewed and continued shall and may sue and be sued by its corporate name aforesaid, and shall and may have and use such common seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold either absolutely or conditionally, for a term or in perpetuity, any description of property whatever and to transfer and convey the same.

V. And it is hereby enacted, that the Capital Stock of the said Bank as constituted under the said present Charter and Acts shall on the determination of the same by virtue of this Act continue to be the Capital Stock of the said Bank so renewed and continued as aforesaid, provided however that it shall be in the power of the Governor General of India in Council from time to time, by resolution notified in the *Calcutta Gazette*, to authorize the said Capital Stock to be increased and to make such order and direction for the opening of subscriptions towards such increase of capital as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportions of new Stock to which they may respectively be entitled, and to make such order and direction as to him the said Governor General in Council may seem fit for the disposal of the amount of new Stock that may not be subscribed for and paid up in the manner and form so prescribed.

VI. And whereas the Capital Stock of the said Bank which by the said Act No. XIX. of 1836 was fixed at seventy-five lakhs of Rupees divided into 1,875 Shares of four thousand Rupees each, has by the Resolution of the President of the Council of India in Council, issued and notified to the Proprietors on the 17th October 1838, in conformity with Act No. XXIV. of 1838 been ordered to be increased by one-half, and whereas a book is now open for subscriptions and payment is now being made of such increased capital in the manner and under the terms and conditions authorized in the said Act No. XXIV. of 1838, and prescribed in the said order and notice of the President in Council. It is therefore hereby enacted, that the Capital Stock of the said Bank shall on the said 1st May next when this Act shall take effect for the re-incorporation of the said Bank, consist of the said sum of seventy-five lakhs of Company's Rupees, together with such further amount as shall on that date have been subscribed and paid into the Bank of Bengal under the order and notice referred to, and the further subscriptions and payments of Capital authorized and ordered as above mentioned shall continue to be received in the manner provided in the said order and notice of the President in Council, and shall be added to the Capital Stock of the Bank as received, accordingly as is prescribed in the said order passed under the authority of the said Act, and the Capital Stock held by the Bank of Bengal on the said 1st May next, together with the further Capital that may be subscribed and paid up as above after that date shall be divided into shares of four thousand Rupees each, or into quarter shares of one thousand Rupees each in the manner declared and provided by Act No. XIX. of 1836, and the shares of the said Capital that may be then registered in the name of the Governor General of India in Council, shall be the property of the said Governor General of India in Council for the time being on behalf of the East India Company, together with

VII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of one lakh and sixty thousand Rupees, excepting on occasion of the present or of any future increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council in the manner prescribed in Sections V and VI. of this Act in which case any Proprietor holding Stock to the full amount of one lakh and sixty thousand Rupees, shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion; and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

VIII. And it is hereby enacted, that a certificate signed by three Directors of the said Bank shall be delivered to the Proprietor or Proprietors of all the said shares of the Capital Stock of the said Bank, upon demand made by the holder of such share, and that any person who is a Proprietor of more than one such share, may at his option demand a certificate for each of his shares, or one certificate for all his shares, or several certificates, each of which may be for any number of his shares.

IX. And it is hereby enacted, that the said share or shares of the Capital Stock of the said Bank shall be of the nature of personal estate of the Proprietors thereof respectively, and that the same shall be transferable by endorsement to be made on such certificates thereof respectively, under the hand of the Proprietor or Proprietors, or his, her or their Attorney duly authorized, which endorsement shall specify the name of the person or persons to whom the said transfer shall be made, provided that no such endorsement shall be effectual to transfer any such share or shares until such endorsement shall have been registered at the Bank of Bengal, and such registration shall have been noted on such endorsement under the hand of an Officer appointed for that purpose by the Directors of the said Bank.

X. And it is hereby enacted, that the said corporate body, so renewed and continued as aforesaid, shall consist and be composed of the registered Proprietors for the time being of the said shares of the Capital Stock of the said Bank, and of no other person or persons whatsoever.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgment.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—*From the Medico-Chirurgical Review, No. 57, for July, 1838.*

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

GOVERNMENT OF BENGAL.

JUDICIAL DEPARTMENT.

RESOLUTION.

THE 26TH MARCH, 1839.

In directing, on the 23d January 1837, the gradual discontinuance of the Persian language and the adoption of the Vernacular in the Judicial and Revenue Proceedings of this Presidency, the late Deputy Governor was pleased to direct that, on the 1st July 1838 and 1st January 1839, Reports of the progress made in effectuating this important reform should be furnished by the Sudder Court, the Sudder Board, and the Special Commissioners.

2. The Reports now under consideration are those of the Sudder Court and Board and the Special Commissioner of Patna. The Special Commissioners of Calcutta and Moorshedabad have made no report. They have never attempted to carry the orders into execution, but entered into a correspondence with the Government to prove the impropriety of the change of language in their Courts and those of their subordinates. Before this correspondence could terminate, the papers were called for by

*14th May 1836, No. 56. the Hon'ble the President in Council and duly transmitted to that authority; and therefore the Deputy Governor of Bengal, anticipating the receipt of Orders on the case from the Supreme Government, has hitherto refrained from coming to a Resolution on the

Reports now before him. But as no Orders have yet been received and the period originally fixed for the complete change of language has come to a close. His Honor deems it proper no longer to delay the issue of instructions to the Sudder Court and Sudder Board, upon this important subject. Upon the report of the Special Commissioner of Patna it is, in His Honor's judgment, advisable to make no remarks until the receipt of the final Orders of the Government of India on the objections of the Special Commissioners of Calcutta and Moorshedabad.

3. It appears that in the following Districts, the Vernacular language had, up to the 30th June, been completely substituted for the Persian, in the Courts of the Civil and Sessions Judges, and the Collectors and their subordinates (except in resumption cases).

Hooghly,
Bhaugulpore,
Purneah,
Patna,
Jessore,
Backergunge,
Rangpore,
East Burdwan,
Dinapore,
Beerbhoom,
Midnapore,
Shahabad—except in the Court

of the Additional Judge, in which it is reported that "considerable progress" had been made towards the change. In Assam the Bengallee has always been and still is in use.

4. No inconvenience has attended the change in any of the above Districts, and in some cases the results are very favorably reported on by the Local Authorities.

5. In the following Districts the change had been completely made in the Revenue Department (except in regard to resumptions) but not in the Courts of the Civil and Sessions Judges:

Furree Ipore.
Mymensingh.
Sylhet.
Bulloolah.

* In these Districts, the Sudder Court report that "considerable progress" has been made in effecting the change in the Judicial Department.

* Tipperah.
* Hazareebaugh.
* Lohardugga.
* Maunbhoom.
* West Burdwan.
* Nuddeah.

24-Pergunnahs.
Cuttack.
Khoordah
Balasore.
* Midnapore.
Hidgelica
Malda.
* Rajeshye.
Bograh.

† A trifling exception is made in these Districts by the Commissioners which will be noticed hereafter.

*† Moorshedabad.

Pubna.
† Chittagong.

6. In the Courts of the Civil and Session Judges of the following Districts:

Cuttack,
Khoordah,
Balasore,
Sarun,
Behar,
24-Pergunnahs,
Chittagong,

it is reported by the Sudder Court that little progress had been made, and no progress whatever, had been effected by the Civil and Sessions Judge of Tirhoot.

7. The change was complete in the Cutcheries of the following Magistrates and Joint Magistrates, and, of course, of their subordinates:

Shahabad,
Patna,
Tirhoot,
Sarun,
East Burdwan,
Jessore,
Hooghly,

Nuddeah,
Monghyr,
Bograh,
Malda,

and it was all but complete on the Fouzdary Offices of the following Districts:

Cuttack,
Pooree,
Balasore,
Bhaugulpore,
Purneah,
24-Pergunnahs,
Rangpore,
Backergunge,
Midnapore,
Tipperah,
Behar,
Dinapore,
Sylhet,
Banroorah,
Baraset,
Pubna,
Furreedpore.

8. The reports show that in none of these twenty-three Districts any inconvenience is felt from the change, or none but what is trivial and temporary.

9. Hardly any progress had been made by the Magistrates of Dacca, Beerbhoom, Moorshedabad, Noacolly and Rajeshye.

10. To those Officers whose names are noted in the margin,* and who completed within the first six months this reform in their respective Districts and Departments, His Honor desires that the Sudder Court and Sudder Board will convey his cordial acknowledgments.

11. The Officers named in the margin,* who effected considerable progress in the substitution of the Vernacular for the Persian, but who did not altogether complete it within the first six months, are also entitled to His Honor's acknowledgements. Little remains to perfect the work in their Districts; and the zeal which has already effected so much will doubtless have completed the reform within the twelve months fixed by Mr. Ross for its accomplishment.

12. The Judges, Acting Judges and Magistrates of those Districts in which little or no progress have been made up to the 1st July, are named in the margin.*

13. It appears then that of all the Districts under the Bengal Presidency, the change was on or soon after the 30th June complete in the Revenue Department in all. In the Judicial Department it was complete in the Courts of Civil and Sessions Judges in twelve Districts, and in those of Magistrates in twelve—it was advancing rapidly towards completion by the Civil and Sessions Judges in nine Districts, and by Magistrates in fifteen. There were but seven Districts in which *little* had been done by Sessions Judges, and five in which the Magistrates had done little: by one Officer only, had nothing been done.

14. This result the Deputy Governor considers very satisfactory, and he has no doubt that the Sudder Court, by whom as well as by the Sudder Board, this alteration of system, has been very cordially and judiciously superintended, will not fail to cause in due time a full compliance with the injunctions of the Government by every functionary under its controul.

15. In Chittagong, as observed in a note to paragraph 5 of this Resolution, the change had been completely made in the Revenue Department with exception to settlement proceedings. In Moorsheadabad as similarly noticed, the change had been effected with the sole exception of certain Registers and Documents hitherto recorded in Persian. In the case of Moorsheadabad the Commissioner states his intention of completing the alteration without any exception as soon as the Volumes of Record, now begun in Persian, are filled and new Books opened, and to this His Honor has no objection. Respecting the excepted proceedings in Chittagong, the Deputy Governor is of opinion that, of all proceedings in a Collector's Office, it is of most importance that those of Settlements should be in the Vernacular, and he desires that the Board will direct the Commissioner to extend the necessary alteration without any delay to all Settlement proceedings.

16. A question has been raised in regard to the Courts and Officers in the Province of Behar, whether the Hindoostanee language should be written in the Nagree or in the Persian character, and it has been decided by all the Authorities that the Persian character is to be preferred.

17. In this, His Honor remarks, the Authorities are perhaps right as a commencement, but he is satisfied that the Nagree should eventually become the current character of the Behar Districts, and he desires that the Sudder Court and Sudder Board will communicate this opinion to the Local Authorities, with instructions to use gradual measures for the cautious adoption of the Nagree character.

18. A few other matters of detail call for His Honor's observations.

19. The Sudder Court have instructed the Judge of Dinnagore that all documents intended for transmission to their Court, as well as Futwas, should be in Persian, but that translates should be made for the information of the parties concerned.

20. But as the language adopted by the Sudder Court itself, upon principles, in which the Deputy Governor fully concurs, is Hindoostanee, and Persian has been in that Court entirely disused, it would seem inconsistent to require the Mofussil Courts to forward Persian documents. The Court will be requested to re-consider this point.

21. One Officer (Mr. Cracroft) suggests to the Sudder Court a case of a Judge in Bengal, receiving a Roobukary in Birj Bhaka from a Judge at Muttra, or vice versa, and has desired a solution of the supposed difficulty. The case is not very likely to happen; but the suggestion of the Sudder Court, that in Bengal proper, public Officers should correspond in Bengallee; and use the Oordoo in the Persian character, on all other occasions of correspondence with other Officers, appears to the Deputy Governor unobjectionable.

22. The Orders of Government are solicited by the Sudder Court, on the following point, viz. whether parties should be allowed to present Petitions in Per-

sian. It is His Honor's opinion that the practice of allowing Petitions to be presented in Persian ought not to be too suddenly put a stop to. As certain classes become accustomed to the local dialects it will gradually fall into disuse of its own accord.

23. The Sudder Court enquire what is to be done with the Amlah, who may not be able to qualify themselves within the present year for the transaction of business in the Vernacular language. The Deputy Governor observes that a reasonable time should be allowed by the Local Authorities to such Native Officers as may not yet have qualified themselves, within which they will be required to complete their qualification.

Ordered, that a copy of this Resolution Order. be transmitted to the Sudder Court and Sudder Board respectively, and that it be printed in the *Calcutta Gazette* for general information.
